3) If you need a visa to enter Japan, please submit copies of all participants' passports and documents for visa application in addition to the above application form. This deadline is also July 31 2022.

4) The match participation fee for foreign players from overseas is 2000 yen to cover travel expenses. (The fee for players residing in Japan is 10,000 yen.)

5. Other Notes

1) The registration and weigh-in for kumite competitors will be held on November 13th from 8:30 to 9:00 a.m. at the courts for each class. (Yoyogi National 2nd Gymnasium)

2) The weigh-in will be done wearing "karate gi" Considering the weight of karate gi, the excess within 2kgs will be allowed. In case of the excess over 2kgs, the competitor will be disqualified.

3) The registration for kata competitors will be held after finishing kumite matches. It will be done around noon.

4) Sticker-type numbers will be handed out after each registration. Please affix it to the center of your back.

5) If a player who has applied for participation is unable to participate for any reason, please contact us as soon as possible.

6) Protest against the referee will not be accepted

3. INFORMATION ABOUT COMPETITION

5. Other Notes

- 7) Competitors are prohibited to wear any accessories.
Male competitors may not wear any shirt under their karate gi, even at the opening ceremony.
The undershirt of female competitors must be white.
- 8) The most recent Japanese government instructions regarding coronary infection control must be followed.
As of June 2022, Japan requires the wearing of masks in the facility.
If the situation remains the same, please provide your own masks!
Although the Japanese government is gradually easing regulations, please check the website or other information two weeks prior to the tournament for notes on this.
As of June 2022, measures for resuming cross-border travel is as follows.

Current Japanese Border Measures

Negative Test Result Certificate before departure

Questionnaire for Quarantine

Vaccine Certificate for Quarantine

Written Pledge for Quarantine

Measures for Resuming Cross-Border Travel

1. Reviewed border measures from June 2022

Based on the New Border Measures (28) released on May 20 2022, the measures for cross-border travelers from certain countries/regions, such as exemption of on-arrival COVID-19 tests are changed from June 1 2022.

(1) Review on the requirements of on-arrival COVID-19 tests and home quarantine period after entry into Japan

Based on scientific knowledge on the Omicron variant, infection situations in other countries/regions, risk assessments on inflow of the variant into Japan, efficacy of vaccines etc, taking into full account of risks of inflow of the variant from other countries/regions, following measures will be implemented in accordance with separate designations under this Measures. Classification of countries/regions which the Ministry of Foreign Affairs (MOFA) and the Ministry of Health, Labour and Welfare (MHLW) will announce upon their review are announced later.

| Classification | Vaccination certificates | PCR test (72 hours prior to departure) | PCR test (arrival at airports) | Quarantine period and other measures after entry into Japan |
|--|--------------------------|--|--------------------------------|---|
| Countries/regions classified as Red | No | Required | Required | 3-day quarantine at a specific facility designated by the chief of the quarantine station(+negative test result (PCR test) at the facility) |
| | Yes | | | 3-day home quarantine+ negative result of a voluntary test/ 7-day home quarantine without a test |
| Countries/regions classified as Yellow | No | Required | Required | Home quarantine and other measures are not required |
| | Yes | | Not required | |
| Countries/regions classified as Blue | No | Required | Not required | Home quarantine and other measures are not required |
| | Yes | | | |

(2) Use of public transportation after entry into Japan

Use of public transportation to their own residences or accommodations after the entry into Japan is allowed even during the period of home quarantine. (NB: the transportation should be completed within 24 hours from the on-arrival test with the shortest path to their own residence or accommodations as the destination.)

3. INFORMATION ABOUT COMPETITION

<Order of kata games>

- The preliminary kata for each class shall be conducted alone, with 2-3 judges scoring the scores. In case of a tie, the match will be decided by a rematch.
- The top 2 and 3 finishers from the preliminary rounds will play semi-final matches.
- The winner of the semifinal match and the first-place finisher in the preliminary round will play the final match.
- In the semi-finals and finals, two competitors shall perform at the same time. Flag decisions will be made by three or more judges. There will be no draws.

<Evaluation Criteria>

- Standard score (25 points)
Basic movement, Accuracy of technique, Lower body stability, Kiai & spirit, Extra movement or blurring (points deducted)
- Artistic score (25 points)
Grandeur and power of technique (male), grace of technique (female), linkage, posture, eye contact
- Other additions (10 points)
Each referee will determine the focus items. For example, depth of breath, dynamism, etc.
